*The Wynford Group thanks you for requesting to participate in the 2011 edition of The Construction Survey*

We would like to take this opportunity to summarize the agreement between participant and the Wynford Group. By signing this form you agree to the following:

All data provided by organizations will be held in strict confidence. Only aggregate data will be included in the survey report. No individual organization's data will be identified. The Wynford Group is willing to permit the Purchaser access to the information contained within The Construction Survey, subject to the following conditions: The Purchaser hereby acknowledges that all information accessed through the Wynford Group's surveys is confidential and the property of the Wynford Group; The Purchaser agrees to access and use information obtained from the Wynford Group only for the purpose(s) for which the Purchaser is granted permission to access such information by The Wynford Group; The Purchaser agrees not to share any information with anyone who is not authorized by The Wynford Group to have access to that information, or disclose any information obtained from The Wynford Group to any third party, without the prior written permission of The Wynford Group; The Wynford Group has proprietary rights in any databases or related software used, enhanced or developed in this survey; The Wynford Group reserves the right, subject to confidentiality constraints, to draw on this database and related software for other purposes.
